

Inspiring Innovation

IEDC Summit Advisory Group

We were very inspired by your voices at the Summit. Now, where will we go from here?

The Summit Advisory Group will convene in early 2022 to bring together voices across our community. There will be four committees: Economic Development, Community Development, Innovation & Entrepreneurship, and Workforce. The committees will identify projects based on Summit feedback and collaborate to bring these projects to life.

2022 Phases & Timeline

Scan QR Code to

apply today!

Early February:

Kickoff Meeting. This is when the Advisory Group will set expectations, assign committees, and select committee leads.

Mid February - April:

Each committee defines their structure. Two meetings minimum to define & present a project champion, budget, and timeline

May - July:

Projects defined by each committee will start to take shape. Committees will pursue additional funding (if needed), and report back to the Advisory Group.
